Federal Election Commission
Report of the Compliance Review Division
on

United Technologies Corporation Political Action Committee

I. Background

This Report covers an audit of the United Technologies Corporation Political Action Committee ("the Committee"), undertaken by the Compliance Review Division of the Federal Election Commission in accordance with the Commission's audit policy to determine whether there has been compliance with the provisions of the Federal Election Campaign Act as amended ("the Act"). The audit was conducted pursuant to 2 U.S.C. 438(a)(8) which directs the Commission to "make from time to time audit and field investigations with respect to reports and statements filed under the provisions of this chapter."

The Committee registered with the Commission on February 10, 1976. The principal officers of the Committee at the time of our audit were Clark Macgregor, Chairman and Dale W. VanWinkle, Treasurer. The Committee maintains its headquarters in Hartford, Connecticut.

The audit covered the period January 1, 1976 through December 31, 1976, the final coverage date of the latest report filed by the Committee. During the period the Committee reported total receipts of \$122,186.00, and total expenditures of \$116,350.00. All of the expenditures were transfers to other political committees and candidates. The administrative expenses of the Committee were paid by United Technologies Corporation.

II. Findings and Conclusions

A. Accuracy of Disclosure Records

As a result of our audit, we have determined that the statements and reports filed under the provisions of the Act by the Committee present fairly and accurately the activity of the Committee during the time period examined and that they comply with the disclosure requirements of the Act.

B. Compliance with the Provisions of the Act

After examining the Committee records of the time period audited, we have determined that the Committee operated in compliance with the Federal Election Campaign Act as amended, in its organization of records, and solicitation and expenditure of funds.

III. Staff Recommendations

Based on the facts stated above, the Compliance Review Staff recommends that the Commission accept this report with no additional action. It is further recommended that the Committee be advised of this action and furnished a copy of this report. (Proposed letter attached)
